# Nazarene Missions International

*Empowering Women. Uplifting Communities.*

Gender inequality denies women and girls their inherent, God-given dignity. When women can't contribute to support their children's needs, entire communities suffer.

Empowering women to earn an income and support their families helps close these and other gender gaps. Education and employment lead to widespread benefits, including improved child nutrition, better health, and opportunities like small business ownership.

Nazarene Compassionate Ministries is working in partnership with local Nazarene churches in Ethiopia, Liberia, and Ghana to support the empowerment and dignity of women and girls. Your donation will help fund these projects.
